

WORKING WITH CHILDREN CHECK POLICY

Preamble

The Working with Children check (WWC) aims to assist in protecting children from sexual or physical harm. It is designed to complement good selection, supervision and training practices (including rigorous reference checking).

The intent of this procedure is to outline which positions at the School require a WWC check and the process to be followed.

This procedure applies to all positions (with the exception of teaching staff with full VIT registration) at the School including volunteer, honorary, consultant and contractor positions. Any reference to 'candidates' also extends to staff currently occupying a position.

Definitions

Child: a person who is under the age of 18 years.

Student: any child enrolled at the School

What is the WWC check?

The WWC check verifies a person's history to make sure they do not have any relevant criminal offences or findings from professional disciplinary bodies. The WWC check is valid for 5 years (unless revoked). During this time the cardholder continues to be checked for new relevant offences or findings. The WWC check is administered by the Department of Justice.

When is a WWC check required?

A WWC check is required for positions that involve contact with children in connection with our school

What is the application process?

The candidate must complete a Working with Children Check application form. The forms are available online, and completed at an Australia Post outlets in Victoria.

Under the section marked 'Details of Organisation', candidates should ensure they state The School

If the applicant passes the check they will be sent a successful Assessment Notice, followed by a WWC check card 2-3 weeks later.

Further information about the application process is available on the [Department of Justice webpage](#).

What if the applicant does not pass the check?

If the applicant does not pass the check they will be given an Interim Negative Notice. The applicant can then make a submission to the Department of Justice to explain why they believe they should pass. If this submission is not successful the applicant will be issued with a Negative Notice. This means they have failed the WWC Check and cannot undertake 'child-related work' or work in the school

When can the candidate commence?

Commencement in The School is conditional upon receipt of a successful Assessment Notice or WWC check card. Any queries should be directed to the Principal.

Who pays for the WWC check?

Candidates who are required to undergo a WWC check as a condition of working in the School will not be able to receive reimbursement for the cost from the school.
