Principal's Notes:

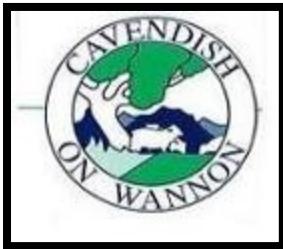

Dear parents and friends,

Merryn, on behalf of the Parents' Club, is endeavouring to collect and collate recipes to update the school's recipe book. This book has been a regular seller for our school over its previous editions and many treasured family recipes have been kept in circulation because of it. However she is still short of recipes and requires your help. Please take a few moments to dig out your family favourites and email them to Merryn for inclusion in the new recipe book. Set aside some time this weekend and get a recipe (or several) to Merryn. I have made a note to myself to send in the grandmother's 'doormats' recipe. merryncog@hotmail.com

We are still having some families not report their child's absence. This makes our record keeping challenging and we waste time in chasing up absence notes. Please email, text, ring, etc ON THE DAY OF THE ABSENCE. It is a requirement that we have notification of all absences, either prior to the day (in the case of planned absences for medical appointments) or on the day for all other cases.

The staff and students are in busy mode as they are making their final selections for art work and completing the final touches on their stories and projects. All students will have four entries through the school. This will consist of a piece of 2D art, 3D art, a story and a project. The Fleece & Flower Show is always a great opportunity to present examples of the children's work to the Cavendish community.

Included in the newsletter is a summary of other categories children may wish to enter. The Fleece & Flower Show is a wonderful opportunity for families to work on some cooking, garden produce or craft activities. The inclusion of these extra items provides a lot of interest to the visitors and can provide a few dollars prize money to the lucky winners! See what you can enter !

The Readers' Cup team have had a very busy week preparing for their presentation at Branxholme today. There is some extra information about this event further on in this week's newsletter. We will provide a full report on how they fared in next week's newsletter. They are very excited and it will be a great experience for them all.

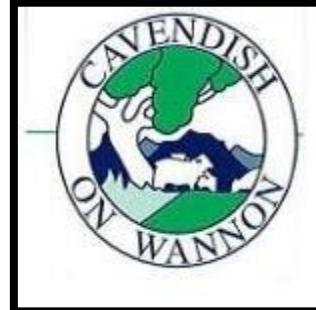

Please remember to return any permission forms as quickly as possible. This makes our organisation of events and transport so much easier. There are still a number of T20 permission forms outstanding at the moment.

It is a tradition at Cavendish for the adults in the school community to come together for an evening's fun to mark the end of the school year. Over the past couple of years, this has involved a meal and then a pool tournament at the Billiards Club in Hamilton. This year's event is going to see a return to lawn bowls. Preliminary plans are underway for a bowls evening with a meal provided by the Bowls Club. From past experience, the quality of the bowls was dreadful but there was a lot of fun as everyone mixed in their teams and enjoyed plenty of laughs. We hope all families are able to look at their calendars and pencil in Friday 13th December for this social event. More details will be provided closer to the date.

The staff had a meeting with Julie from the CFA on Wednesday afternoon. She discussed some important elements of our emergency management plan and making sure we are thinking about fire preparedness. There is a selection of pamphlets

Have a great weekend,

Anthony Hill

Readers' Cup

Imogen, Mia, Caitlyn, James and Holly have been very busy preparing for today's Readers' Cup challenge at Branxholme-Wallacedale Community School (pictured above in their movie costumes). They have read a set of four novels and are ready to answer questions about these books and the shared themes. They have also been preparing their own response to the books. They have selected "47 Degrees", a novel about the Black Saturday bushfires, and have prepared a short film based on the story. They have written the script, rehearsed, filmed and edited the movie. This video will be shown to the other schools today.

At the conclusion of the Readers' Cup, points will be tallied based on the presentations and responses to the questions and the winning school announced. Fingers crossed for our team's success!

THE HORROR HOUSE

**ONE STORMY, DARK NIGHT MY FRIEND'S PARENTS WENT TO A PARTY.
I WENT TO JACK'S TO HAVE A SCARY SLEEP-OVER.**

**JACK IS THE BOSS OF THE HORROR GANG AND I ASKED IF I COULD BE IN
THE GANG**

**JACK SAID, "YES, IF YOU CAN SPEND THE NIGHT IN THE HAUNTED CEM-
ETERY."**

I WAS VERY SCARED BUT I SAID, " YES."

**SO THE NEXT NIGHT I WENT INTO THE HAUNTED CEMETERY. I SAW
BROKEN GRAVES AND A CREAKY HOUSE.**

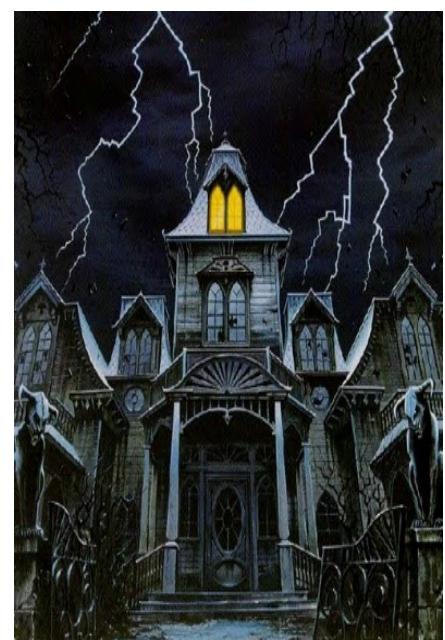

**I WALKED SLOWLY INTO THE HOUSE. I HEARD CREAKING AND
SCREAMING AND WEIRD NOISES IN THE WALL. THERE WAS A VAMPIRE
LOOKING AT ME!! IT WAS HANGING FROM THE ROOF ...I RAN AND RAN.
I WAS SCREAMING LIKE A KITCHEN KETTLE! FINALLY HE WAS GONE.**

**I LOOKED AROUND AND THIS TIME I SAW ZOMBIES! !THE ZOMBIES
WERE GREEN. SO I SPRIENT AGAIN. I RAN OUT THE DOOR AND IT WAS
MORNING. THE GANG WAS WAITING OUTSIDE. JACK SAID "YES YOU CAN
BE IN THE HORROR**

GANG."

**SO I JOINED AND NEVER
WENT BACK TO THAT
HAUNTED HOUSE
AGAIN!!**

BY CTAYAH

THE HAUNTED HOUSE

One cold, gloomy night I was walking home down the jagged uneven path to my house. Mum, Dad and my sister, Mietta were out for dinner.

As I entered the dusty, old house I heard a blood curdling scream. I was all alone in the creepy house... or was I?

The TV was already on; that was strange? The movie, "IT 2" was playing. I made a HUGE bowl of popcorn and lay down and started watching. I thought it was a bit boring so I went up the stairs.

As I entered my bedroom I saw a dark shadow! I bolted down the stairs and grabbed a torch. I stared up the stairs and wondered if I should go up?

I heard a knock knock knock on the old, dusty door. "Trick or treat" the man said. He took his hood off. IT WAS GHOUL! I stormed into my bedroom and hid under my bed. Lying next to me was a ZOMBIE! It bit my head! I was turning into a zombie! I emerged from underneath my bed. I limped down the stairs and exited the dilapidated house! I woke up. It was all a horrifying nightmare.

The Haunted House

Along time ago in the middle gloomy dark forest, my scary story began. I am a boy and I like to do scary things but this is a bit too scary for me! I was walking in the forest collecting wood. Suddenly I saw a mouldy and dirty house I wanted to go and have a look in inside it. I was scared there was nothing in here I went down the basement. In the basement I heard a rattling in a treasure box. A human shaped ghost and wolf and a vampire jumped out of the box!

I tried to catch them but they ran away.

I chased them but they got away. I had no idea where they had gone.

Suddenly I heard some giggling coming from the couch. It was my friends playing a trick on me all along...

"I will get you back!"

Bushfire At-Risk Register - Schools

School procedures for the bushfire season

Fire danger ratings and warnings are used in Victoria to provide clear direction on the safest options for preserving life.

Schools and children's services listed on the DET Bushfire At-Risk Register (BARR) will be closed when a Code Red fire danger rating day is determined in their Bureau of Meteorology district.

Cavendish Primary School has been identified as being one of those at high bushfire risk and is listed on the BARR.

Where possible, we will provide parents with up to four days notice of a potential Code Red day closure by letter and/or SMS message. A Code Red day will be determined by the Emergency Management Commissioner no later than 1.00 pm the day before the potential closure. Once we are advised of the confirmation of the Code Red day we will provide you with advice before the end of the school day.

Once confirmed, the decision to close will not change, regardless of improvements in the weather forecast. This is to avoid confusion and help your family plan alternative care arrangements for your child. It is also important to note that:

- No staff will be on site on days where the school is closed due to a forecast Code Red day.

- School camps will be cancelled if a Code Red fire danger rating day is determined for the Bureau of Meteorology district in which the camp is located.
- As a bus co-ordinating school all bus routes will be cancelled.

On these Code Red days, families are encouraged to enact their Bushfire Survival Plan – **on such days children should never be left at home or in the care of older children.**

For those of us living in a bushfire prone area, the CFA advise that when Code Red days are forecast, the safest option is to leave the night before or early on the morning of the Code Red day.

As part of preparing our school for potential hazards such as fire, the school has updated and completed our Emergency Management Plan.

What can parents do?

- Make sure your family's bushfire survival plan is up-to-date and includes alternative care arrangements in the event that our school is closed.
- Ensure we have your current contact details, including your mobile phone numbers. Keep in touch with us by reading our newsletters, by checking our website <http://cavendishps.vic.edu.au/> and by talking to your child's teacher or any other member of the teaching staff about our emergency management plan. Immediate contact can be made through the school's phone number prior to any Code Red Day on (03) 55742282 or directly to the principal's mobile on 0402526258.

Most importantly at this time of year, if you're planning a holiday or short stay in the bush or in a coastal area, you should check warnings in advance of travel and remain vigilant during your stay.

If your child is old enough, talk to them about bushfires and your family's bushfire survival plan.

You can access more information about children's services closures on the Department of Education and Training website – see <http://www.education.vic.gov.au/about/programs/health/pages/closures.aspx>
