Principal's Notes:

Dear parents and friends,

Well, the routines for our remote teaching and learning is starting to settle into a pattern. Who would have thought that Miss Purnell's daily posts would become 'must see' viewing.?

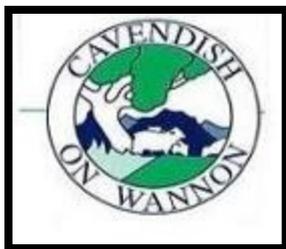

Thank you to everyone for their support of this new normal. The staff are working incredibly hard to provide learning support and all families are doing a tremendous job supporting your children with their work. We are still battling the problems with the clarity and consistency of the Webex conferences. The high demands on internet services seems

to be affecting this significantly. However, everyone who can access the daily catch-up sessions are doing so. A combination of the work books, emails, texts, phone calls, Seesaw and Webex provides a range of support. Everyone is doing their best in these challenging times and I have been extremely grateful for the co-operation and positivity shown by our school community.

Tomorrow's Anzac day will be very different. We won't be able to attend services and marches as usual. Please see if you can find some way to commemorate Anzac day in your household.

This afternoon there is a skipping challenge for everyone to join. Miss Purnell has posted a challenge on Seesaw for all classes. All students have received a skipping rope in their most recent book collection and we hope that each child can skip for twenty minutes and count how many skips they can achieve in total. Photos and number of skips can be posted on Seesaw.

I have enjoyed receiving further communication from our sister school in Cavendish in Suffolk, UK. The head teacher, Cheryl Wass, passed on information on how her school was managing the coronavirus situation. She also shared the following message from one of her pupils-

" School is so different in these days because there's not many of my friends here. Today there are only 3 of us. I miss my friends and hope they are ok. I'm thankful for the friends that I have here.

The weather is hotter than we thought and we need to remember our sunscreen. We are doing some of our lessons outside which helps us to learn.

I prefer having a teacher to help me to learn. My mum can't remember all the things she learnt at school, but she helps me as much as she can. Learning from our Learning Packs is quite different. I am on pack 2 now.

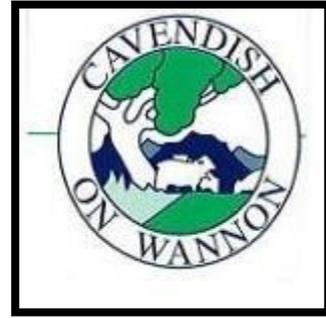

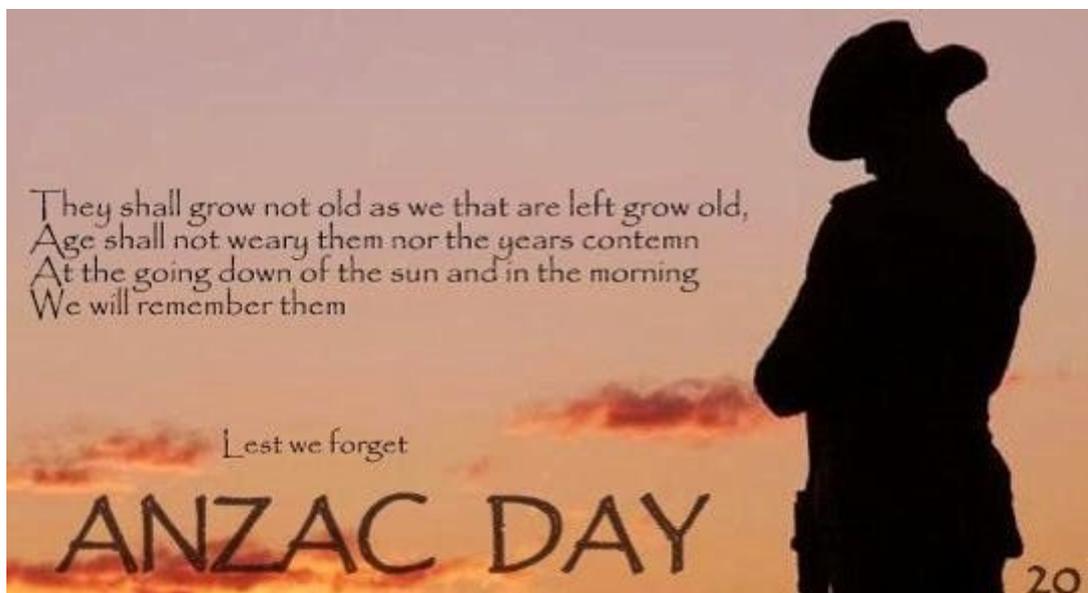

I know the weather is hotter for you. Stay safe and stay cool.

Yours, Harley"

Please think of the children and families all over the world dealing with these incredible times. I would love to have children write a message to Cavendish on the other side of the world. Send me your message and I will pass it on.

Have a great weekend and stay safe,

Anthony Hill

School Mission Statement: Cavendish Primary School provides a warm, friendly and caring environment that enhances and challenges learning, personal growth and well-being of students. The school has high expectations for staff and students and aims to create a stimulating and supportive environment for all its students to excel in their learning and personal growth.

Year 3/4 video conferences today. Miss P declared it Funny Hat Friday.

We would like to introduce Mark Kuchel. Mark has taken over from Jay Pandat as our school IT Technician. He will be working at school every Friday.
Welcome to the Cavendish Primary School.

Some tips for home learning

How you can support your child

You can support your child by:

- having a routine and setting expectations
 - making sure your child has a space to work in
 - providing a level of supervision suitable to your child's stage of development
 - monitoring communications from teachers
 - checking in with your child often to help them manage and pace their work
- monitoring how much time your child is spending online.

YOUR CHILD'S RESPONSIBILITIES DURING REMOTE LEARNING

You should change these responsibilities according to the age and stage of your child.

Your child's responsibilities include:

- regularly monitor digital platforms for announcements and feedback from their teachers
- do their best work by completing tasks with integrity and academic honesty
- do their best to meet timelines and due dates
- communicate openly with their teachers and tell them if they have any concerns or issues
- collaborate and support their classmates

continue to abide by their school's behaviour guidelines.

SETTING UP A LEARNING ENVIRONMENT

Every home is different but it's important to provide a quiet and comfortable space in which to learn.

Where possible, extended learning should take place in a space your family shares. For example, a lounge room or dining room. These spaces are preferable over a bedroom, where your child can feel isolated and supervision can be more challenging.

It should be a place:

- that can be quiet at times
- that has a strong internet signal, if possible

where you or another adult is present as you would normally when your child is online, dependent on age

ESTABLISHING ROUTINES AND EXPECTATIONS

Start and end each day with a check-in to help your child:

- clarify and understand the instructions they get from their teachers

help them organise themselves and set priorities for their learning at home.

A healthy daily routine is great for mental and physical health, as well as concentration and learning.

Encourage regular exercise breaks. This might mean going for a walk, using exercise DVDs and apps, dancing, floor exercises or using home exercise equipment.

Encourage healthy eating habits and make sure they drink enough water.

Communicating with your child

We encourage you to start and finish each day with a simple check-in. These check-ins can be a regular part of each day.

Morning check ins

In the morning, ask:

What are you learning today?

What are your learning targets or goals?

How will you be spending your time?

What resources do you need?

What support do you need?

Afternoon check-ins

In the afternoon, ask:

What did you learn today?

What was challenging? You could come up with a way to deal with the same problem if it comes up again.

Consider three things that went well today. Why were they good?

Are you ok? Do you need to ask your teacher for something? Do you need help with something to make tomorrow more successful?

These questions allow your child to:

- process the instructions they get from their teachers
- help them organise themselves and set priorities.

You could also check-in with your child throughout the day. This depends on your child's needs.

SCHOLASTIC BOOKCLUB

Bookclub is still operating during this remote learning period! With libraries all closed this is an even more important resource than ever before. If you have ordered online through LOOP before then Scholastic will already have sent you a virtual brochure.

If anyone else would like to view the latest brochure then just copy and paste the following URL into your browser and it will lead to the virtual site.

[scholastic.com.au/book-club/virtual-catalogue-1/](https://www.scholastic.com.au/book-club/virtual-catalogue-1/)

Payment will be directly to Scholastic (**not through school**)

All book orders will be returned to school. We will place them into children's bag lockers and let you know when to pick them up.

Can you please complete your orders by **FRIDAY MAY 1ST**.

Orders will be closed after this date.

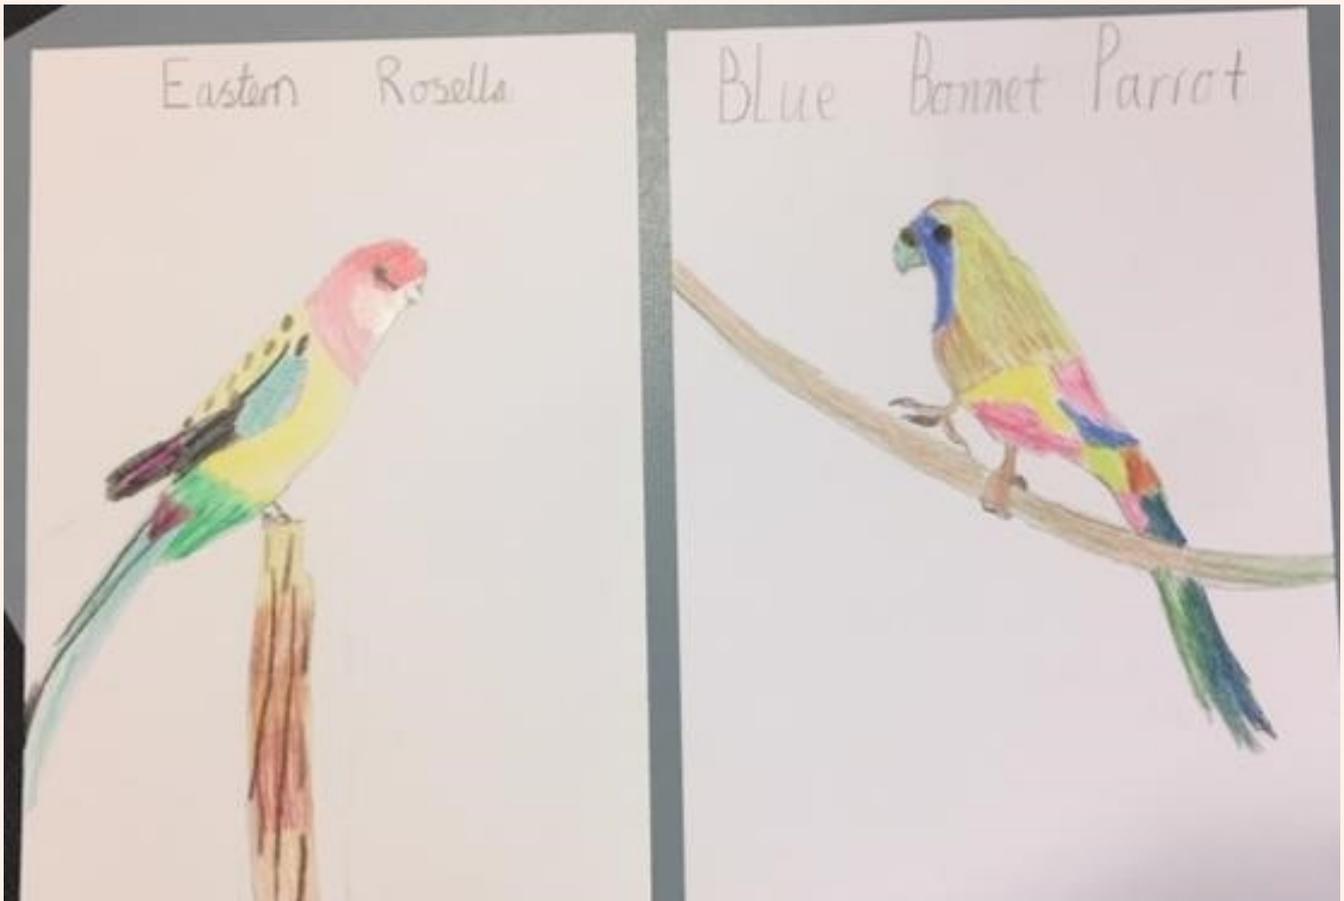

Thanks Sally

Ava loved doing Miss P's science experiment with Smarties.

This is Holly Lewis' Australian map jigsaw puzzle she completed at home.

Talia has drawn an Eastern Rosella and Fletcher has drawn a Blue Bonnet Parrot. Great work!

Cruelty to children—there have been reports that Miss P’s P.E. lessons cause children to collapse through exertion.

Have a great birthday on Sunday Thomas!

Happy Easter from the Hurleys

As we haven't been able to see our lovely smiling students, we are loving the photos that have been sent in so far. Keep sending them in!!

SCHOOL CAMPS

Don't forget we are offering school camps this year in term 4. The COVID-19 situation may still be a factor later in the year. In that case we would be forced to cancel. However at this stage we are continuing with our preparation and planning for camps and will continue to monitor the situation as the year progresses. The Year 1/2 children will go to Port Fairy for two days and the Year 3/6 students will travel to Melbourne for four days. These can become quite expensive, especially if you have more than one child at school. Please see Tammy and start a payment plan now. You will be well on the way if you start by paying \$20 a fortnight or whatever best suits your budget. We have always prided ourselves in the high attendance at our school camps and they are a wonderful opportunity for the children.

National Simultaneous Storytime 2020

The poster features a dark purple background with a large, stylized globe in the center. The globe is covered in a grid pattern and has the text 'WHITNEY and BRITNEY CHICKEN DIVAS' written on it. Below the globe, the author's name 'Lucinda Gifford' is visible. To the right of the globe, there are two colorful, stylized chickens: one pink and one blue, both wearing crowns. The text 'NATIONAL SIMULTANEOUS STORYTIME' is written in large, white, bold letters on the left side. Below this, the date 'Wednesday 27 May 2020' is written. At the bottom left, there are logos for the Australian Library and Information Association, Scholastic, and Lianza. The website 'www.alia.org.au/nss' and the hashtags '#NSS2020' and '#1millionkidsreading' are also present.
