Principal's Notes:

Dear parents and friends,

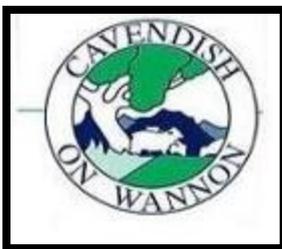

Today the school was very colourful with all the scarves, beanies and guernseys on show. Although it's been hard for some students to get into the swing of footy this year, especially with no local matches or Auskick, we still saw a concerted effort to celebrate the footy finals for this year. As well as enjoying a day wearing our footy colours, we also managed to raise \$211.35 for the JDRF diabetes appeal. Thank you to all families for contributing towards this great cause.

Last term's Poco's Ice-cream fundraiser money was deposited in the school bank account this week. It was an amazing \$2368.00. Once again, thank you to everyone who contributed to this event.

Next week is Book Week. This annual event was originally scheduled for May but the coronavirus upset these plans. Our Book Week will feature the Year 6 students reading some of the short-listed picture story books to the whole school each day. Our big event is the chance for the students to come in a book-themed costume on Thursday. Unfortunately we aren't able to have all the adults on-site as usual but I promise there will be lots of photos available in the newsletter and on Facebook.

We are still waiting to see if there will be any changes to the rules regarding swimming lessons in indoor pools and for school photographs. We will keep you posted if there are any new developments.

The Bridge Café are happy for families to order Friday lunch orders during Term 4. A list of food available and the prices is in the newsletter. Orders are to be placed in person by close of business on Thursday at the Café. **NO ORDERS NEXT WEEK AS THE FRIDAY IS A SCHOOL HOLIDAY.**

Dear Year 5/6 families— costume requests

The Year 5/6 students have been writing a script in preparation for creating a film on the life of Ned Kelly (following our work on Ned's life during remote learning). The scripts are now complete and filming will begin very soon. The children will be asking to bring various items of costume from home to create their characters on screen. It won't be a Hollywood blockbuster so thankfully most requests will be easily sourced items. Our bushrangers will wear checked shirts, jeans and boots. Our police will wear their navy school uniforms. We are looking for some suitable dresses for Mrs Kelly and Kate. Any plastic 'bobby' type police helmets would be great as well. Some of our dangerous desperados will also need to bring a toy gun to complete their attire. The parts have been shared and we will have several different students playing the key roles throughout the film. This gave more actors the chance to play major roles, even at the cost in the continuity of the film. The filming and editing will take a few weeks but look out for the finished production when it hits the big screen!

Footy Colours Day

For Footy Colours Day we asked the students to bring a monetary donation to go towards JDRF Australia.

We collected an amazing \$211.35. Isabel is currently doing an walk-a-thon for JDRF and this money will be donated to her fundraising efforts.

Could all students having piano lessons with Frau Barber please remember to bring their books for lessons on Fridays.

Hats, hats, hats!

Don't forget your hat for the start of Term 4. The UV levels are rising and we all want to be sun-smart!

Battery Drive

As Covid-19 will most likely stop Parents' Club from holding any fundraising events this year we are reminding all families that we are still able to do our Battery Drive.

Please ask your friends, family & any farmers you know, if they have any old batteries they are willing to donate to Cavendish PS.

Batteries can be taken to Ben and Erin Cross' house.

**Any queries phone Ben on

School can always use some extra funds!

**There will be no

Bushfire At-Risk Register - Schools

School procedures for the bushfire season

Fire danger ratings and warnings are used in Victoria to provide clear direction on the safest options for preserving life.

Schools and children’s services listed on the DET Bushfire At-Risk Register (BARR) will be closed when a Code Red fire danger rating day is determined in their Bureau of Meteorology district.

Cavendish Primary School has been identified as being one of those at high bushfire risk and is listed on the BARR.

Where possible, we will provide parents with up to four days notice of a potential Code Red day closure by letter and/or SMS message. A Code Red day will be determined by the Emergency Management Commissioner no later than 1.00 pm the day before the potential closure. Once we are advised of the confirmation of the Code Red day we will provide you with advice before the end of the school day.

Once confirmed, the decision to close will not change, regardless of improvements in the weather forecast. This is to avoid confusion and help your family plan alternative care arrangements for your child. It is also important to note that:

- No staff will be on site on days where the school is closed due to a forecast Code Red day.

- School camps will be cancelled if a Code Red fire danger rating day is determined for the Bureau of Meteorology district in which the camp is located.
- As a bus co-ordinating school all bus routes will be cancelled.

On these Code Red days, families are encouraged to enact their Bushfire Survival Plan – **on such days children should never be left at home or in the care of older children.**

For those of us living in a bushfire prone area, the CFA advise that when Code Red days are forecast, the safest option is to leave the night before or early on the morning of the Code Red day.

As part of preparing our school for potential hazards such as fire, the school has updated and completed our Emergency Management Plan.

What can parents do?

- Make sure your family's bushfire survival plan is up-to-date and includes alternative care arrangements in the event that our school is closed.
- Ensure we have your current contact details, including your mobile phone numbers. Keep in touch with us by reading our newsletters, by checking our website <http://cavendishps.vic.edu.au/> and by talking to your child's teacher or any other member of the teaching staff about our emergency management plan. Immediate contact can be made through the school's phone number prior to any Code Red Day on (03) 55742282 or directly to the principal's mobile on 0402526258.

Most importantly at this time of year, if you're planning a holiday or short stay in the bush or in a coastal area, you should check warnings in advance of travel and remain vigilant during your stay.

If your child is old enough, talk to them about bushfires and your family's bushfire survival plan.

You can access more information about children's services closures on the Department of Education and Training website – see <http://www.education.vic.gov.au/about/programs/health/pages/closures.aspx>
