***Principal's Notes:***

Dear parents and friends,

Well, the school was certainly a hive of activity this morning for our pet parade. We had animals of all shapes and sizes ready for display. The junior council leaders organised a number of categories for judging and the winners received their certificates and special pens as prizes. It was great to have so many family members in attendance as well. Thank you to everyone for taking the time to bring in the animals—the children have been looking forward to this for a very long time.

Another highlight this morning was the lovely pancakes and scones for an early morning tea. These were made by Trish and family and I thank the Hurley family for providing this delicious food.

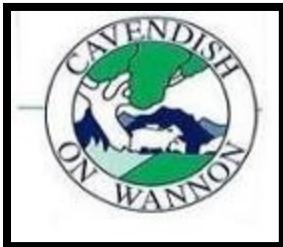

Another special treat today was our buddy Easter egg hunt before lunch. This is always eagerly anticipated but the event was made more challenging this year because some of the eggs had special camouflaged wrappers to make them very tricky to find. Thankfully we have some very keen-eyed seekers and I don't think any still remain in the playground.

Yesterday the results of the Parents' Club Easter colouring competition were announced. The standard was very high and congratulations to our winners (photos included in this week's newsletter).

All School council members will receive their bundle of information for the next school council meeting. This will be a WebEx event on the first Wednesday of next term. Emailed invitations will be sent home closer to the meeting date.

A final reminder from the district Somers camp co-ordinator that all campers need to take a packed lunch and a drink on the first morning of camp. I wish all our Somers campers all the very best on what will be the highlight of their school year..

Two large skips were delivered yesterday in preparation for some building works over the Easter break. Some key works will be replacement of some windows with thicker glass and replacement of the wooden ramp by the student toilet block. Other tasks, including installation of mesh grills to prevent ember entry, will be completed by early next term.

16	17 Student Free Day	18	19 School coun- cil meeting 7pm	20	21	22
23	24	25	26	27	28	29

I have been in contact with the Victorian Schools Building Authority to check on our stadium project. I have been informed that the tender process is now complete and a company will be confirmed this week. Hopefully they can schedule work to commence as soon as practicable.

There have been an alteration to the inter-school cross country date at Tarrington. The new date is Friday, 14th May. We have altered the date for the Cavendish cross country to Tuesday, 4th May (as this fits better with organising a team for the inter-school event and also allows some more recovery time for our Somers campers).

Don't forget our annual open morning for this year will be on Wednesday, 5th May. All parents, grandparents, neighbours, ex-pupils and friends are welcome.

Don't forget to look at the school's Facebook page occasionally. This week the Year 5/6 students practice their German and there are videos of some outdoor musical items.

A reminder that Lisa Ferrier will be acting principal next term. I know she will bring energy and some fresh ideas to the leadership of the school and will be well supported by all our staff, students and families. I know I feel confident leaving the school in her capable hands.

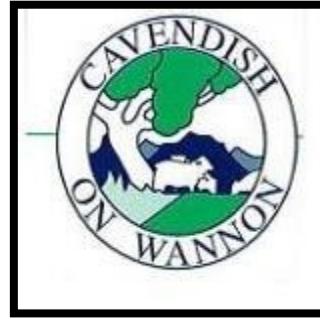

Next term the Year 3 and 5 students will complete a series of four tests for the NAPLAN assessments over the days of 11th to 13th May. The students will undertake a test in Writing, Reading, Language Conventions (which covers punctuation, parts of speech, grammar, spelling, etc) and Numeracy. The children will be given some practice sessions in the lead up to NAPLAN to help them prepare.

A reminder to pencil in the date of Monday 17th May as a pupil-free day for Cavendish Primary School. The staff will be working on tasks set out in our Annual Implementation Plan for 2021.

The Division athletics will be held in Warrnambool on Friday, 7th May. Children who qualified from the recent inter-school athletics at Pedrina park will be notified of their place in the event and further information will be supplied next term.

I wish everyone safe travels if you are on the road this Easter. Make sure you enjoy your time with your children and enjoy your time together as a family

School Mission Statement:

Cavendish Primary School provides a warm, friendly and caring environment that enhances and challenges learning, personal growth and well-being of students. The school has high expectations for staff and students and aims to create a stimulating and supportive environment for all its students to excel in their learning and personal growth.

Junior Council Pet Parade

A huge thank you to all the adults who took time out of their day to bring pets to school this morning. The students have been looking forward to this day for weeks.

What a great mixture of animals we had!

Thanks for the yummy morning tea Trish & crew.

Buddies Easter egg hunt

Happy Easter everyone!

Enjoy your
eggs and hot
cross buns.

Easter colouring competition winners

Living in the country is better than living in the city.

If you think the country is the worst, you are a city weirdo!

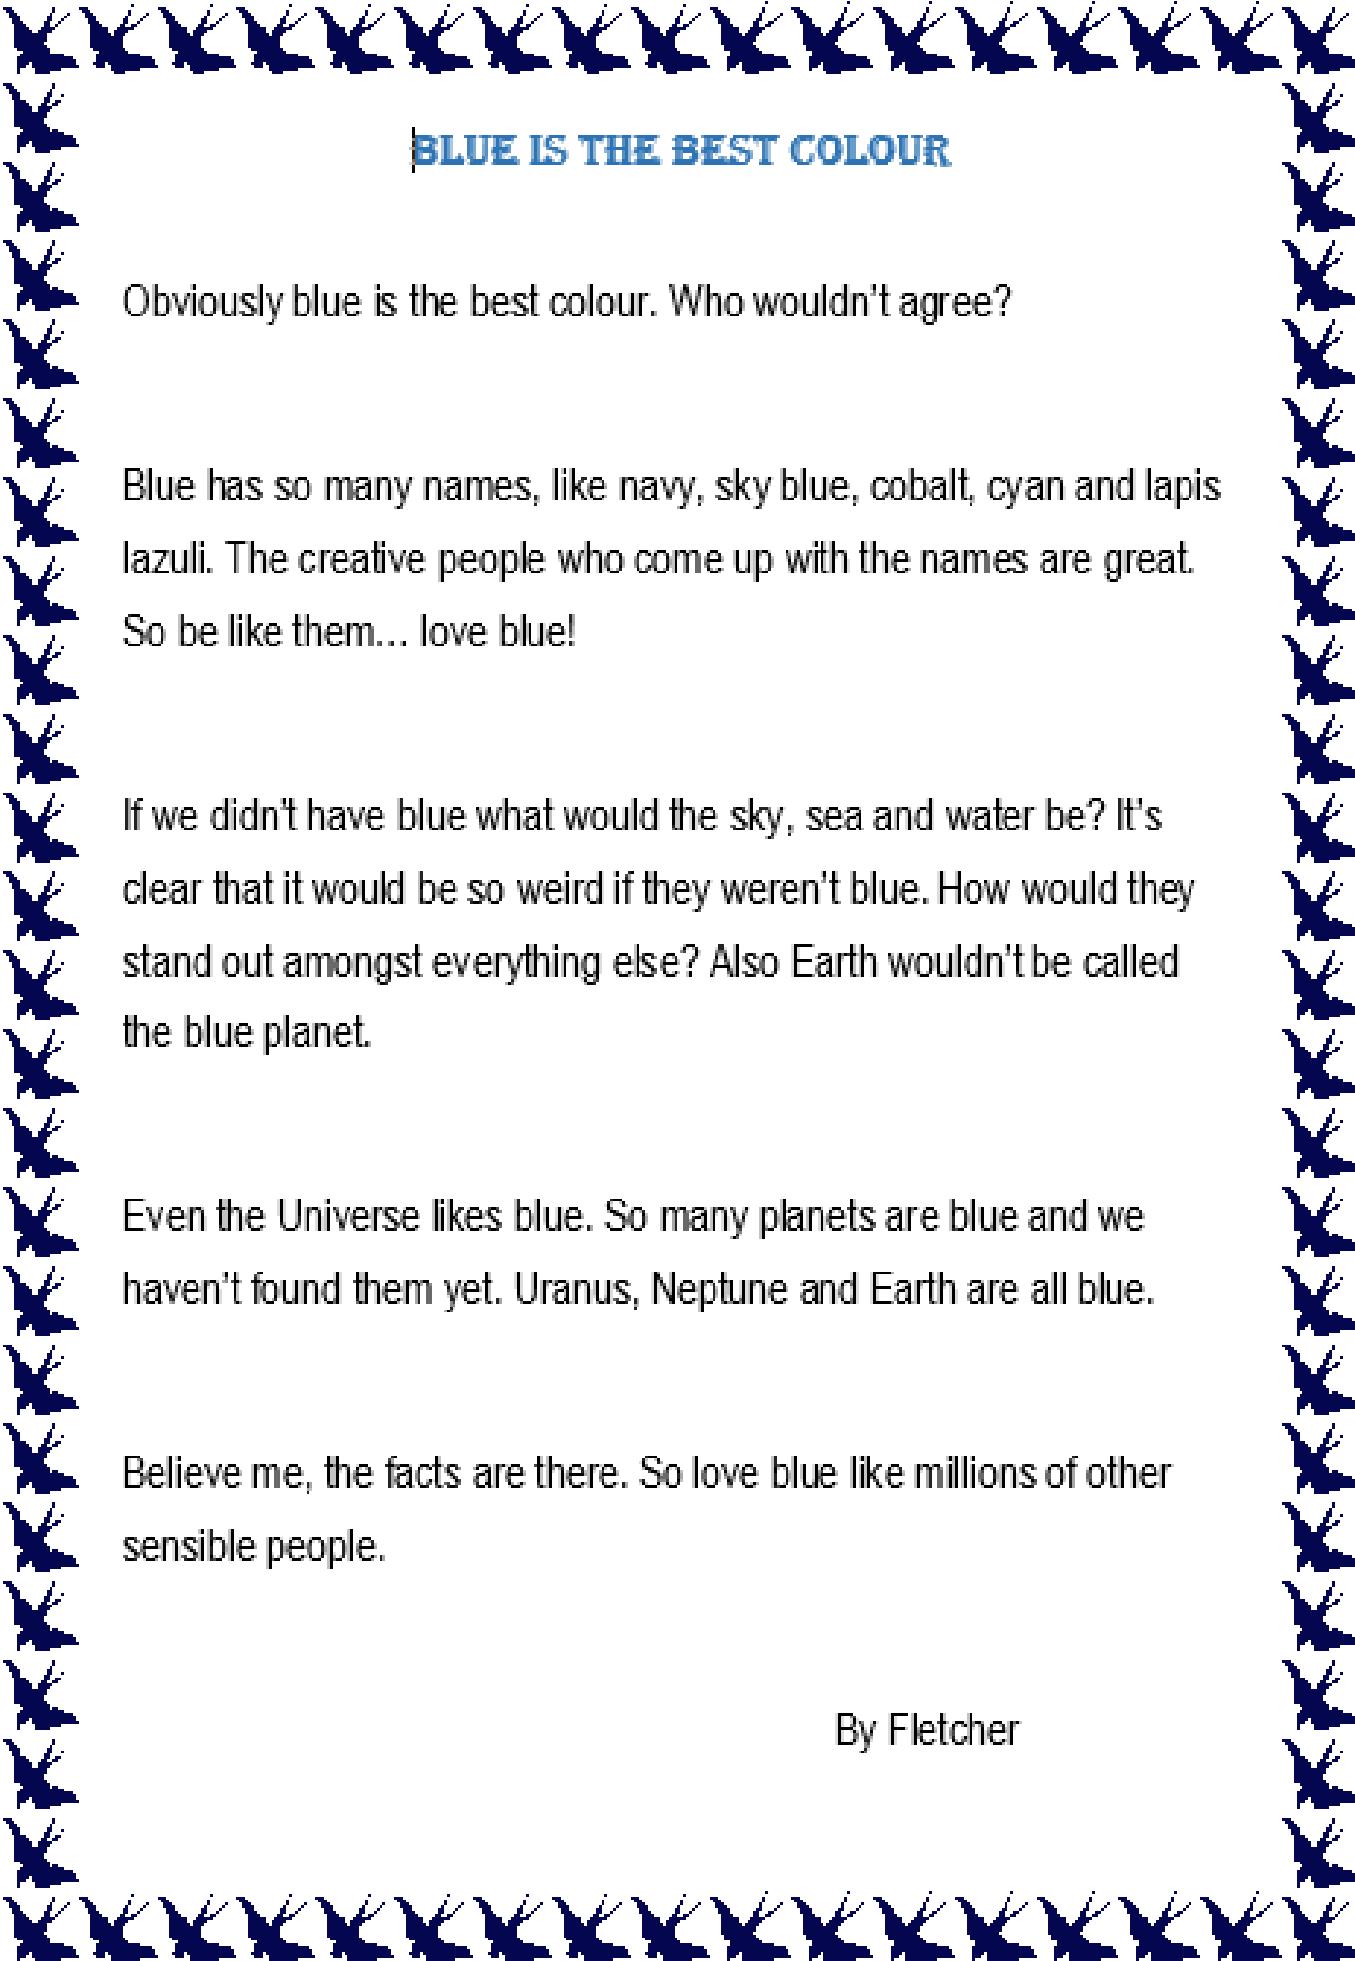

You can have a pet in the country. You can have an adorable, beautiful, cute animals if you live in the country. You have space to put your animal's cages, shed or whatever you have for your animals. But you have no space for your animal in the city in that small apartment.

There is fresh air in the country. You want unpolluted, pure clean air, don't you?? If you live in the city, there are factories and heavy traffic that pollutes the air. It is NOT healthy for you. So it is absolutely better to live in the country.

There is space in the country. Space is what you want. You don't want to be crammed in a little apartment. You want freedom and space to run around and play outside. You can't play if you are squished in a little house like a shoe box.

You must agree that the country is so much better than the city.

By Talia Price

BLUE IS THE BEST COLOUR

Obviously blue is the best colour. Who wouldn't agree?

Blue has so many names, like navy, sky blue, cobalt, cyan and lapis lazuli. The creative people who come up with the names are great. So be like them... love blue!

If we didn't have blue what would the sky, sea and water be? It's clear that it would be so weird if they weren't blue. How would they stand out amongst everything else? Also Earth wouldn't be called the blue planet.

Even the Universe likes blue. So many planets are blue and we haven't found them yet. Uranus, Neptune and Earth are all blue.

Believe me, the facts are there. So love blue like millions of other sensible people.

By Fletcher

Green is the best colour!!

Everyone knows that green is the best colour ever, only an ignoramus would disagree. There are so many shades of green like: **apple green, emerald, grass green, khaki, chartreuse** and so many more. You have to give a round of applause to the colour green.

Firstly green is the colour of Mother Nature. Leaves are all shades of green, the grass is a deep, luscious and soothing green. What other colour would Mother Nature be? A rubbish brown I guess. If you look at a globe at the land, it's over 50% green. Obviously the Earth's favoured colour MUST be green then.

Green is a positive colour. It means good. Why else would they make "GO" on traffic lights green? If you get a green tick in your work that means you got something right. When you are relaxed you think of all the good things and the colour green makes you feel good.

So by now you must think that green is the best colour ever but if you still like red or another colour you are one of the biggest ignoramus ever.

By Sydney

SPRING IS THE BEST SEASON

Only cowards don't believe that the season spring is outstandingly the best.

Everyone who is human believes spring is the best season for new growth and new birth. When little lambs are born you just want to die for them. It cheers you up when you see all the flowers blooming. Kookaburras laughing, bees buzzing, birds singing, trees bursting with colour. You have to trust me that spring has to be the king.

Obviously, spring is perfect for the weather. It is in between the hot, sweltering summer heat and the blistering cold days. It is on average, scientists show that the temperature is 20°C. You can happily do any activities outdoors or indoors. Also you don't have all those sleepless hot summer nights. Where you have to toss off all your annoying blankets. Now you have to believe me that spring is a champion season!! Every year it gets first place!

If you are horsey or sporty, spring is your season. You turn the TV on and the cricket is starting or the footy finals are on. Next channel the netball is on. Flemington is full of people cheering horses. The roar or footy finals as the MCG fills up.

You have to believe me or you are selfish and you are just going to be too hot and too cold. So you will have to join me in the spring spirit.

By Isabel Hurley

Winter

Summer is *THE* top worst season EVER. Its ALWAYS hot and there is nearly always nothing to do. After I'm finished with you, you WILL believe Summer SUUUUUCKSSS and Winter RUUULESS.

Firstly, footy, it's the one and only true-blue Aussie game. Every single person you talk to eventually brings it up, unless, it's YOU who brings it up. It also gets by far the largest number of spectators of any sport played in the country. It's a true-blue Winter game played in mud with fun. This is a MAJOR reason Winter is KIIING!!!!

Secondly, Summer is always hot. The only things to do are; 1, go to the water and possibly drown, 2, sit inside, do nothing with AC system on full blast. And that costs a lot of moolah. Whereas Winter, you use the fire to keep you warm, you can go outside and play in the mud, have fun. Winter costs less and you've got no chance of drowning.

Finally, sleep, you get to sleep better in the Winter because you don't have to worry about tossing and turning all night long. It's a scientific fact that you sleep better in the Winter because the rain is a calming sound and when you get calm, you get tired, and when you're tired you sleep. Us humans like our sleep so you would agree Winter *IS* king, right?!!!

So, it would be non-human to disagree with me, so, thank you for reading and...

AGREE!!! Or you, my friend, are not human!!!!

By Codi WALMSLEY

Red is the best colour ever!

By Ruby Packman,

Red is by far the best colour in the whole wide world! Only unsophisticated people would think otherwise.

Red is the colour of love and without love no-one would be happy. Where would Valentines be without red? Roses are red, hearts are red. Everything on Valentines is red.

Most importantly red is the colour of blood and if no-one had blood, I'm sorry to say but everyone wouldn't exist. Also red is the colour of our brain and with no brain you can't think or do anything. That's why everyone's favourite colour should be red.

It is a known fact that everywhere you look there is red. Also red is on the top of the rainbow - surely that's got to mean something. If you still don't agree that red is the best colour in the whole wide world you are definitely unsophisticated.

Spring is better than the other seasons

Surely only dingbats are the only ones who would think that Spring is not the best season. I'm pretty sure you're not a dingbat, are you?

All clever people would know that Spring is the best season for the gardens, obviously! The flowers bloom and your garden looks beautiful. But if you don't like Spring then how will your garden look good? Besides how else are the lambs and the other baby animals going to play in the nice, warm Spring sun? There's more to it like grass and crops. We all need crops because corn, wheat and many more of them are food we eat, or are part of what we eat. Also we need grass for lamb, beef, dairy, pork and poultry otherwise we will have NO food. Spring is the best growing time.

Spring is the best time for sport fans! It has Football Finals. AFL has hundreds of watchers in the MCG, but way more watching on the T.V. Same with the netball finals. Even the country football and netball Finals get hundreds of spectators and audience. Cricket and Tennis Starts! If Spring wasn't here how will Ash Barty start her tennis season? Also how will Patrick Cummins do his superb, fast bowling? Thousands of people LOVE to go to the Melbourne Cup every year at Flemington.

If you want the perfect weather, then Spring is your season. Spring is full of parts from the other seasons. The weather is not too hot like summer, and not cold and wet like winter and it has a bit of wind but not too much. Spring provides the perfect weather for everything!

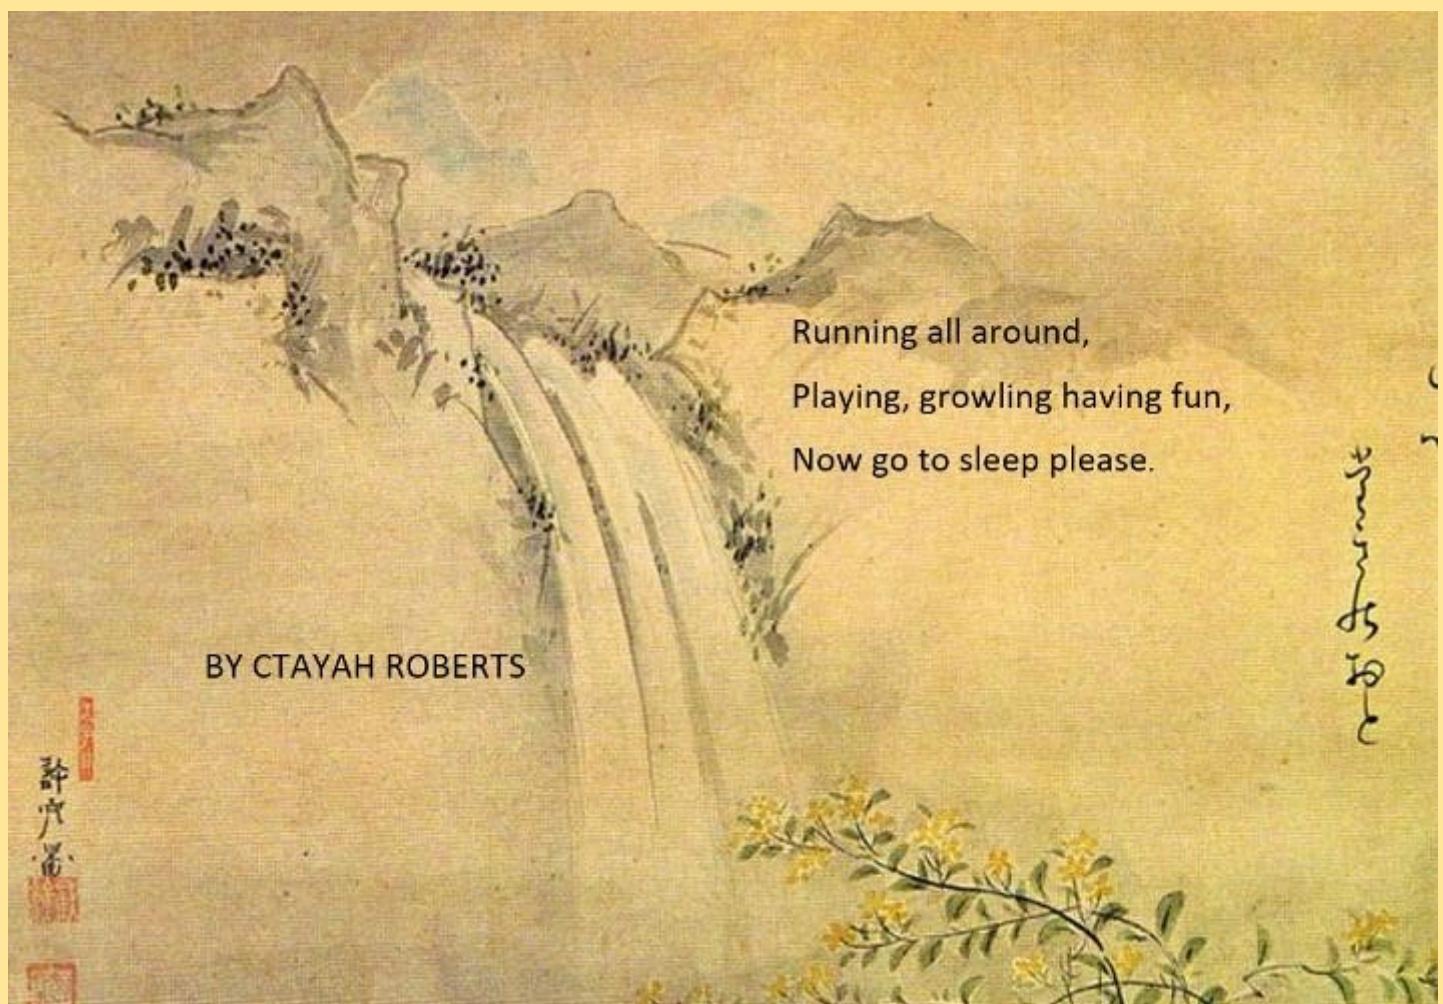

So what I'm saying folks, is that Spring has all the good things from other seasons, while leaving out the bad stuff.

BY LEXI

The Easter bunny
Is coming in the morning
To give us all eggs
By Holly L

Haiku poems—three lines, with a 5/7/5 syllable pattern.

Summer is better than winter

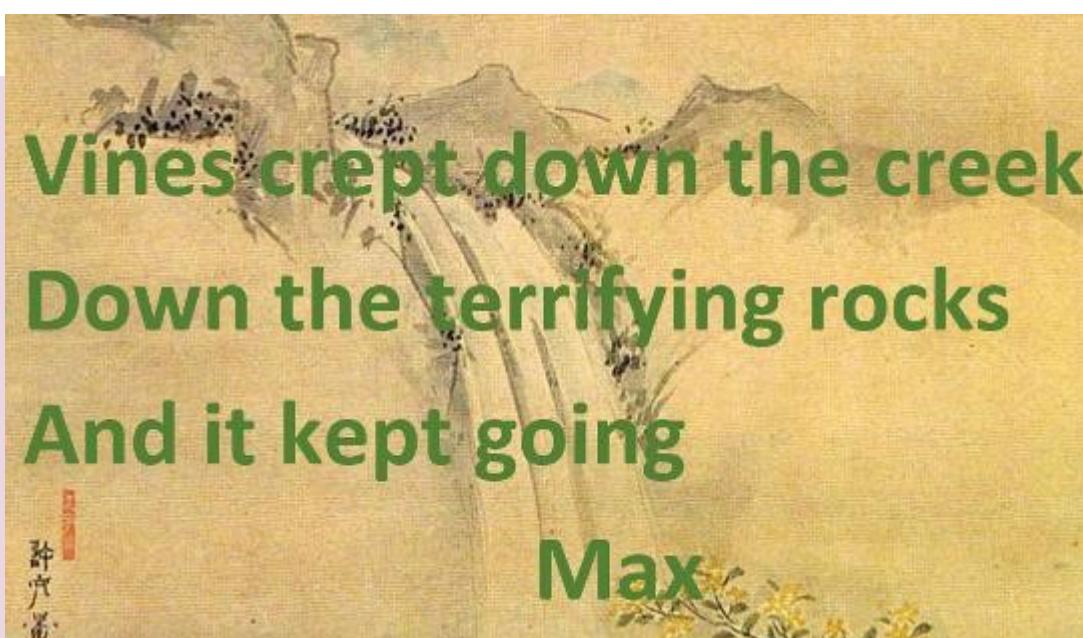

Summer is way better than winter and if you disagree (which you won't) I will convince you and by the only weird, silly and crazy people hate lovely warm and colourful summer.

Firstly, in winter it is nearly always rainy which can make animals cold, lonely and sick. Imagine your horses, sheep or cows getting sick and they may even die. You would not want that to happen would you? But in summer horses can run and be happy without getting wet or sick and sheep won't get footrot and if you let your dog out for a toilet they won't come in with smelly dirty and unclearable muddy feet.

Summer is the warmest time of year. It is way better than miserable winter because you go to so many places in summer. In winter you can't go camping because if it rains you have to wait until your tent is dry that could take forever. There's no point going on a holiday in winter if it is going to just rain, is there?

Therefore summer is better than winter and if you still disagree you are letting those poor animals down.

Valuing our Water - Photo Competition 2021

It's World Water Day on 22 March and to recognise this day, along with all the amazing water landscapes in our catchment area, it's also the day we are launching a new photo competition. Together with Wannon Water we are inviting schools and students within our region to celebrate our water landscapes by sharing photographs that show what water means to them. Our photo competition launches at 10am on Monday 22 March and runs through until May 27.

To submit an entry, participants must submit photo and entry details via <https://wannonwater.mysocialpinpoint.com.au/valuing-water-photo-competition-2021>

Entries must: · Reflect the theme of World Water Day 2021, 'Valuing Water', depicting landscapes e.g. towns, lakes, creeks, nature reserves, swimming pools, beaches etc.

- Not contain any images of children
- Have a title. Titles such as 'untitled' are not acceptable
- Not contain any watermarks which identify the photographer
- Not contain any additional mark-ups or graphics
- Be taken within the region covered by Wannon Water and/or the GHCMA
- Be from a student who resides within the region covered by Wannon Water and/or the GHCMA.

Our Year 6 leaders are reminding the students each assembly about our 15 ‘Blitz’ themes. These are always on display on the outdoor noticeboard and we all appreciate the reminders about these important skills.

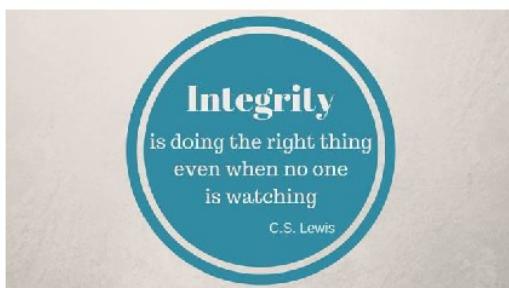

Our weekly blitz is:

Integrity

We can show this by:

- Doing the right thing, even when no-one is watching.

Our weekly blitz is:

Good, better, best.

Good, better, best. Never let it rest.

Until your good is better and your better best.

We can show this by:

- Aiming to do our best every time.
- Looking for ways to improve on our previous efforts.
- Having high expectations.
- Setting goals and working towards achieving them.

Our weekly blitz is:

Fairness

We can show this by:

- Sharing:
 - Give everyone a turn
 - Share equipment
 - Be aware of other's needs
- Sportsmanship:
 - Play by the rules
 - Respect opponents
 - Be honest
 - Accept decisions
 - Enjoy the game for the game's sake

Our weekly blitz is:

Caring

We can show this by:

- Caring for others:
 - *Being kind and trustworthy.*
 - *Being calm and positive in our words and actions.*
- Caring for ourselves:
 - *Keeping clean and tidy.*
 - *Showing a willing attitude. "I can do it!"*
- Caring for property:
 - *Looking after my things and the school's equipment so they remain in good condition for us all to share.*

Our weekly blitz is:

Organisation

We can show this by:

- Being ready for lessons (I have been to the toilet; my drink bottle is filled; my books are ready, etc).
- Having an organised locker and bag locker.
- Having library books, reader and music folder on the right day.
- Putting things away in the correct place.
- Giving notices to families and returning notes to school on time.
- Doing duties at school without needing to be reminded. E.g. morning reading, flag, chooks, bell.

Our weekly blitz is:

Manners

We can show this by:

- Saying, "Please"
- Saying, "Thank you"
- Saying, "Excuse me"
- Being prepared to wait your turn
- Sharing fairly
- Holding doors open
- Looking at people when speaking or listening.

Our weekly blitz is:

Persistence

We can show this by:

- Trying hard even when things are tricky or difficult.
- Working through challenges. You will be amazed what you can do when you persist!
- Setting goals and working to achieve them.
- Not becoming distracted or giving up.
- Checking work when it's finished.
- Doing the tough things first rather than putting them off until later.

Our weekly blitz is:

Tidiness

We can show this by:

- Putting things away
- Keeping our lockers neat
- Straightening books on the shelf
- Taking shoes off
- Returning sports equipment
- Keeping the cubby tidy
- Picking up things
- Keeping our books neat

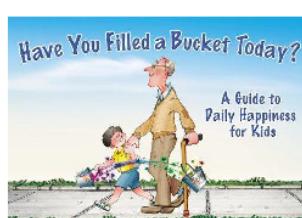

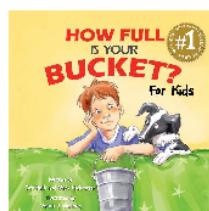

Our weekly blitz is:

Fill people's buckets

We can do this by:

- Giving compliments
- Being positive with our comments
- Being kind and considerate
- Having a kind heart
- Thinking before you act
- Showing empathy (what's it like in their shoes?)

Our weekly blitz is:

Positive behaviours

We can show this by:

- Being kind
- Being fair
- Being caring
- Being consistent

Watch out for positive behaviours in other students – they are watching you! Remember our next Citizenship Survey is coming!

Our weekly blitz is:

Building & Boosting

We can show this by:

- *Greeting people warmly*
- *Using their names*
- *Giving compliments*
- *Giving praise and encouragement*
- *Including everyone*
- *Looking for the positives*

Our weekly blitz is:

Saying nice things

We can show this by:

- Saying friendly things.
- Saying encouraging things.
- Looking for the positives.
- Thinking before we speak (Is it kind? Is it helpful? Is it positive?)

Our weekly blitz is:

Resilience

We can show this by:

- Staying calm.
- Keeping our cool when things don't go our way.
- Not getting too nervous, too angry or too down about things.
- Bouncing back quickly to get on with work and play.
- Coping with change.
- Building strength in our mind.

Our weekly blitz is:

Trust

If we want to build trust, we must:

- Be consistent in our words and actions.
- Be honest in our words and actions.

Our weekly blitz is:

Getting Along

We can show this by:

- Smiling
- Being friendly
- Inviting others to join in
- Sharing
- Using kind words
- Looking after everyone (not just our friends).

Bushfire At-Risk Register - Schools

School procedures for the bushfire season

Fire danger ratings and warnings are used in Victoria to provide clear direction on the safest options for preserving life.

Schools and children's services listed on the DET Bushfire At-Risk Register (BARR) will be closed when a Code Red fire danger rating day is determined in their Bureau of Meteorology district.

Cavendish Primary School has been identified as being one of those at high bushfire risk and is listed on the BARR.

Where possible, we will provide parents with up to four days notice of a potential Code Red day closure by letter and/or SMS message. A Code Red day will be determined by the Emergency Management Commissioner no later than 1.00 pm the day before the potential closure. Once we are advised of the confirmation of the Code Red day we will provide you with advice before the end of the school day.

Once confirmed, the decision to close will not change, regardless of improvements in the weather forecast. This is to avoid confusion and help your family plan alternative care arrangements for your child. It is also important to note that:

- No staff will be on site on days where the school is closed due to a forecast Code Red day.

- School camps will be cancelled if a Code Red fire danger rating day is determined for the Bureau of Meteorology district in which the camp is located.
- As a bus co-ordinating school all bus routes will be cancelled.

On these Code Red days, families are encouraged to enact their Bushfire Survival Plan – **on such days children should never be left at home or in the care of older children.**

For those of us living in a bushfire prone area, the CFA advise that when Code Red days are forecast, the safest option is to leave the night before or early on the morning of the Code Red day.

As part of preparing our school for potential hazards such as fire, the school has updated and completed our Emergency Management Plan.

What can parents do?

- Make sure your family's bushfire survival plan is up-to-date and includes alternative care arrangements in the event that our school is closed.
- Ensure we have your current contact details, including your mobile phone numbers. Keep in touch with us by reading our newsletters, by checking our website <http://cavendishps.vic.edu.au/> and by talking to your child's teacher or any other member of the teaching staff about our emergency management plan. Immediate contact can be made through the school's phone number prior to any Code Red Day on (03) 55742282 or directly to the principal's mobile on 0402526258.

Most importantly at this time of year, if you're planning a holiday or short stay in the bush or in a coastal area, you should check warnings in advance of travel and remain vigilant during your stay.

If your child is old enough, talk to them about bushfires and your family's bushfire survival plan.

You can access more information about children's services closures on the Department of Education and Training website – see <http://www.education.vic.gov.au/about/programs/health/pages/closures.aspx>

For up-to-date information on this year's fire season see:

- **<https://emergency.vic.gov.au>**
- **Facebook (facebook.com/cfavic)**
- **Twitter (twitter.com/CFA_Updates)**
- **ABC local radio, Sky News and other emergency broadcasters**
- **VicEmergency Hotline (1800 226 226)**
