Principal's Notes:

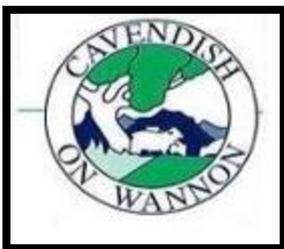

Dear parents and friends,

Welcome back to school after our break. I hope families had an opportunity to relax and enjoy some time together. We had an exciting addition in our family with the birth of a new grandson called 'Louis Edward'. Also, the Weilbaecher family welcomed a new son called 'Leo' to their family. I know that Nate and Noah are extremely excited and looking forward to showing Leo off to us very soon.

As I started writing this newsletter yesterday, events for Victoria turned around and now we are back to a short period of remote learning. Hopefully, we will be back to normal to face-to-face teaching next Wednesday. Any queries please call the school or send a message through Seesaw to your child's class teacher. Home learning packs are in the outside lockers for collection.

During the holidays, we had the carpet fixed in the hallways and in Miss Purnell's room. We are also purchasing new mats to go under the staff's chairs to stop the carpet from moving further. Also, Wimmera Pest Control completed their inspection for termites and we have no problems identified thankfully. Some further tree works were also completed for the Bushire Preparedness Program that were considered high risk.

Mrs McNaughton has been busy cataloguing and covering lots of new books for the Library that have been purchased for the upcoming Book Week celebrations. We look forward to reading these new books in preparation for Thursday 26th August, our book character dress-up day. This day is a very important day in our calendar and I know the children really look forward to the parade and sharing their favourite book character with the school. Thank you Mrs McNaughton for volunteering your time to keep our Library running so smoothly too.

The children have been busy practising their basketball skills in readiness for the Hooptime Tournament. The Year 3/4s will hopefully be playing their games next Thursday 22nd July and the Year 5/6s are on the following Monday 26th July. Miss Purnell will be the super coach on the day and any parents that are able to help with scoring would be much appreciated. A permission note was sent home earlier this week to ask about travel arrangements. Thanks to the parents whom have volunteered to drive other children in too. We will let you know as soon as we can whether this event will go ahead next Thursday.

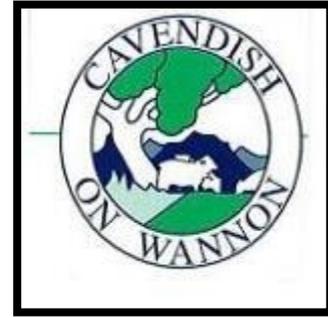

Today, we were due to meet with James Deans our architect for the stadium refurbishment. This has now been postponed till next Friday.

All school councillors were sent home their information for our next meeting which is to be held at the school on the 21/7/21. I will let you know if this will need to be a WebEx meeting instead as early as I can next week.

Now that the cooler weather has arrived students are allowed to bring in a heat up lunch on a **Monday** this term. Please ensure that it is Monday only that you send this in. Hot lunches are still available on Friday's from the Bridge Café. Please order these in person by 2pm Thursdays.

I would like to personally thank all the kind wishes and congratulations that I received in becoming the new Principal at Cavendish PS. I am very excited and look forward to leading this wonderful school.

SCIENCE ~ F/2

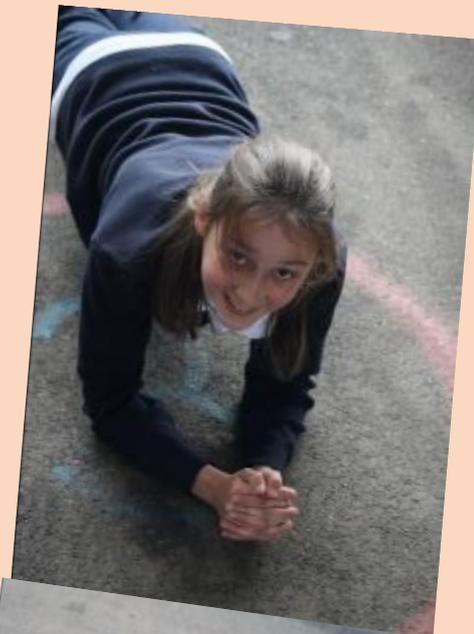

‘Force and Motion’

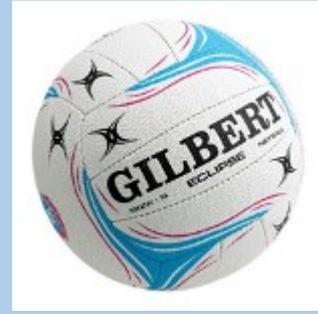

HUFF & PUFF

WALT: Change the author's purpose.

PERSUADE:

Netball is the best sport in the world that you can play it can be good for many things like if you want to get fit play netball. You can make friends if you play netball and is very fun.

INFORM:

You need seven people for a team of netball maybe ten two on the bench and seven on the court playing. You sometimes need two players on the bench in case you get puffed, then you can come off and the person on the bench can go on the court while you have a rest.

ENTERTAIN:

The big game was here, Maddie Roberson Vixens VS Giants we' ve all been waiting for this day. Maddie tied her golden blond coloured hair up, had a banana and then it all began!!!

WALT: change the author's purpose

Persuade: Come now! Labrador puppies for sale, 12 adorable lab puppies for sale. Come quick because these adorable puppies are selling quick. These are the best dogs for lounging and love, love cuddling! So hurry there nearly sold out! Come now!

Inform: Labrador puppies are really small when they are born and need to feed straight away when they are born. There are 3 colours of a Labrador puppies the first Colours is yellow, the second is black, the third is brown. But there is also a rare colour of lab puppies that is red mix blue which is nearly 1 in a thousand.

Entertain: One rainy day a little boy was going down the cracked pathway when he herd a howling dog in the bush, the holing wasn't that strong. The bog realised it was a puppy but not any puppy it was a adorable Labrador puppy! The boy ended up taking the puppy home and looking after it. There life was perfect!!!

WALT-change the author's purpose

PERSUADE : Basketball is better then soccer because
in Basketball you don't have to hurt your
feet. But with soccer you can hurt your
feet by kicking the ball too hard. In
Basketball you only use your hands.
Basketball is easy to shoot a goal.

INFORM: Soccer is only for grownups and teenagers.
In Basketball people from 7 to 97 can play.
Girls, Boys, Teenagers, Grownups,
Grandpas and grandmas can play
Basketball. The most bestest team is
Belgium, they have 7183.38 points.

ENTERTAIN:I was running down the court as fast as I could, I took 2
large steps and shot a goal. I went crazy about getting
that goal. But when I ran under the hoop the ball fell
on my head and at the end of the game I found out
that it wasn't a goal!!!
