Principal's Notes:

Dear Parents and Friends,

The week has certainly gone fast with lots of sunshine, which always makes things brighter! Spring is definitely all around us at the moment. The staff have always been impressed with our families at Cavendish Primary School and this has been shown in their on-going commitment to their children's learning every day during Remote Learning.

Mrs Barber will be on personal leave for the remainder of the term. Mrs Bell will be replacing her next Wednesday.

With the warmer weather arriving, please remember to bring your sunhats back to school.

Restrictions changes

On Wednesday, we were very pleased with the announcement that some regional restrictions will be eased. The F/2 class returned to face-to-face learning today but unfortunately our Years 3/6 will continue their remote learning from home for the remainder of this term.

Remote Learning

The students have done a fantastic job of attending their WebEx meetings and completing their Seesaw tasks. Mrs Bell's Art activity this week has produced some very creative efforts, so please check out the photos on our facebook page. Our senior students again hosted another on-line school assembly today. We have some very talented students in our school. Some of our senior students showcased - magic card tricks, dog training skills, ventriloquism, horse trick riding and piano playing .

One of my highlights this week was Lexi's video about Remote Learning. I think Lexi has been truly inspired by Miss Purnell's videos. Please take some time to watch the video on the journal in Seesaw if you haven't already.

Footy Colour's Day

We will hold our Footy Colours Day this year on Friday 17th September. If the Year 3/6 students could dress up for the whole school assembly WebEx and also send a photo into the school's email at 'cavendish.ps@education.vic.gov.au', or post on Seesaw to include on the newsletter please. We will organise a hotdog lunch at school for the F/2 students. There will be no charge . If your child does not eat hotdogs please send in lunch or arrange a shop order.

Foundation students for 2022

If you would like to return your completed enrolment form please contact the school to arrange a drop off time or give to Merryn at Kinder to pass along to us. Early next term, Merryn and I will be organising transition sessions for next year's Foundation students. These will be planned according to any restrictions that we have at the time. By attending these sessions, it allows your child to know all the teachers, the learning environment and begin to develop relationships with our current students.

Last day of term

Next Friday is the last day of term. On-site students will be dismissed at 2.30pm. Buses will run as normal.

Events to look forward to (hopefully)

Next term, there are quite a few events planned in our calendar. We will advise families as soon as we know if they are being changed or not going ahead due to restrictions. We have received another Sporting Schools grant for next term. Tammy is currently organising the sessions but they are dependent on restrictions of course. Future events are very challenging to organise as things can change so quickly.

MARC Reader's Cup

Some selected senior students will be participating in the MARC Readers Cup at Dunkeld PS on October 28th. Mrs Gibbons and Mrs Porter (MARC teachers) are busy organising the selected books to be read and activities to be completed. This event will be held on WebEx, if we are not allowed to attend Dunkeld PS on the day. The senior teachers will be selecting a small group of students from Year 4-6 only for this.

School Council

Next Wednesday night we will be holding our meeting via WebEx at 7pm. We are very grateful of the family time that our School Councillors give up to help support our school.

Have a good weekend.

Lisa Ferrier

These are the current School Operations Guide from the Department of Education

1. Regional Victoria (excluding Greater Shepparton LGA) –

Based on advice from the Victorian Chief Health Officer, all schools in regional Victoria except for Greater Shepparton will continue to provide remote and flexible learning except for students in the following categories who are able to attend on-site:

- A) Students in Prep to Year 2 and students in Units 3/4 VCE and final year VCAL and IB
- B) Children who have been previously been attending because their parent/s and/or carer/s were considered [authorised workers](#)
- C) Children experiencing vulnerability, including:
 - a. in out-of-home care
 - b. deemed vulnerable by a government agency, funded family or family violence service, and assessed as requiring education and care outside the family home
 - c. identified by a school or early childhood service as vulnerable, (including via referral from a government agency, or funded family or family violence service, homeless or youth justice service or mental health or other health service)
 - d. Where a parent/carer indicates that a student with a disability is vulnerable because they cannot learn from home, and/or informs the school the student is vulnerable due to family stress, the school must provide on-site supervision for that student. This may apply to students enrolled in specialist schools and students with a disability enrolled in mainstream schools.

School staff moving between metropolitan Melbourne and regional Victoria will also be required to undertake twice weekly COVID-19 PCR testing to help keep our schools safe; refer to section 6: *Testing requirements for moving between metropolitan Melbourne and regional Victoria.*

Students and staff who live in regional Victoria and are enrolled in or work in a school in metropolitan Melbourne will continue with remote and flexible working arrangements in place in metropolitan Melbourne.

If you live in regional Victoria and need to travel into metropolitan Melbourne for your work or if you live in metropolitan Melbourne and work in a school in regional Victoria, an [authorised worker permit](#) is required

Outside School Hours Care (OSHC) programs in regional Victoria can operate for students eligible for onsite learning or supervision and care.

School Mission Statement:

Cavendish Primary School provides a warm, friendly and caring environment that enhances and challenges learning, personal growth and well-being of students. The school has high expectations for staff and students and aims to create a stimulating and supportive environment for all its students to excel in their learning and personal growth.

Student Awards for last week

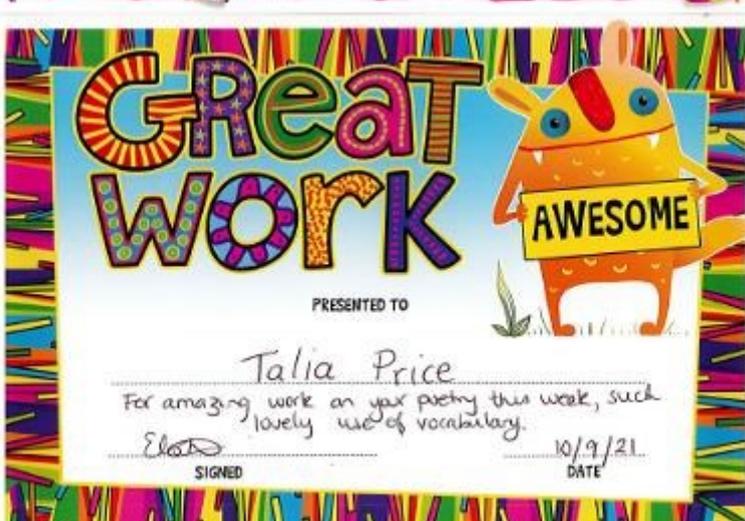

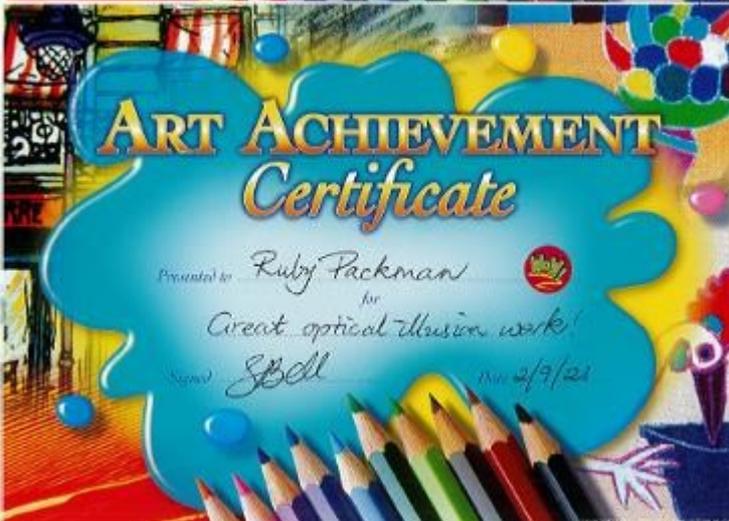

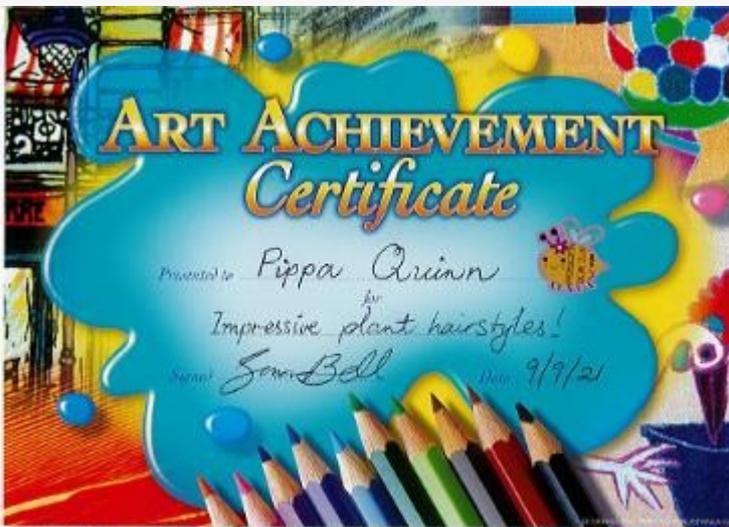

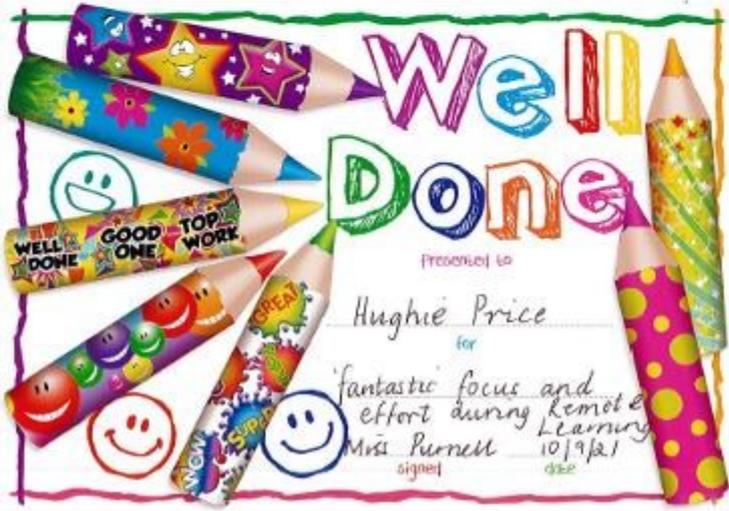

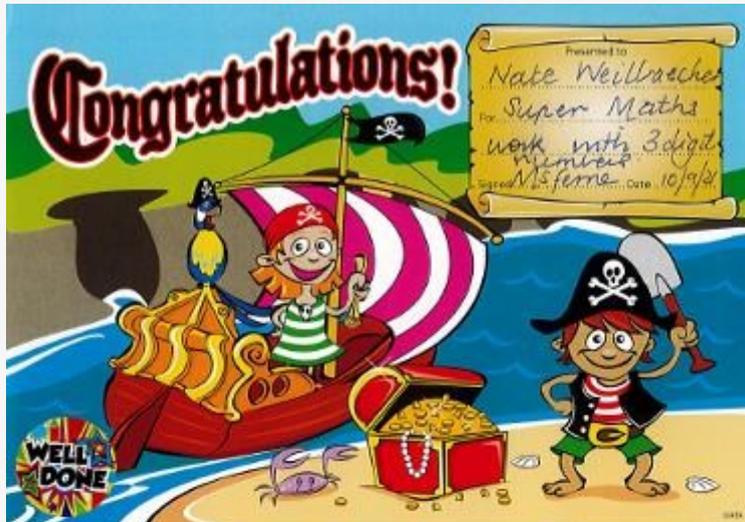

- * Cooper Leese - fantastic work all week
- * Emma Thomas - spelling all her 300 Magic words
- * Pippa Quinn - accurate and amazing maths work
- * Holly Lewis - great communication on Seesaw
- * Jack Quinn - prompt and efficient work on Seesaw
- * Codi - being a great help and beautiful tenor recorder playing - Mrs Barber

Holly's goat is happy eating all the weeds in the old chook pen. Thanks to the Lewis family for bring her down to clean it up for us.

She is like an octopus always doing many things at once,
She is as protective as an elephant caring for young,
She is as affectionate as a Golden Retriever,
She is as cute as a Japanese flying squirrel,
She is like a quokka always being happy,
She is as brave as a honey bager,
My magnificent mum.

**Great to hear you had
a lovely day, even if it
was in lockdown!**

Lexi's ultimate school day

Lexi made an amazing video of her ultimate school day. She fell asleep during Miss P's class WebEx session. This is what she got up to in her sleep!

The F/2 students were happy to be back in class today!
